

Walthambury W325 Automatic Potato Bagger Including Additional Conveyor

£POA

Walthambury automatic potato weigher bagger including additional 6 foot conveyor. Fills bags ranging from 12.5kg - 50kg. Stored and operated inside only by our farms for bagging potatoes, low hours of use. Suitable for vegetables into paper, hessian or plastic bags. Suitable for large chipping potatoes. May also suit a variety of other uses e.g. wood chip, pellets etc.

Pneumatically assisted trickle feed system offers rapid and simple top up adjustment for varying products.
